COLONIAL REALTY & TRUST COM-WE WISH EVERYBODY AND THEIR FRIENDS THE MERRIEST CHRIST-MAS AND MOST HAPPY AND PROS-FEROUS NEW YEAR THEY'VE EVER

We also wish to sell these few places this year. They're big bargains, every one of them, and we firmly believe that on some of them you can double your money the coming year.

20 acres of the best fruit land in the state southeast, near car line. Good wa-ter right and only \$75 an acre. Reasona-ble terms, or will exchange for city

Here's 40 acres in the same section, land and water right both good. 20 acres in fall grain, all under fence, and im-proved with a good 4-room house, barn for 5 horses, two chicken houses, cemented cistern, and 100 fruit and shade trees. \$3500, and very reasonable terms.

This is a tract of 80 acres, also excellent ground, 40 acres in fall grain, several acres in alfalfa, good water right in two canals, and will sell all or half at \$755 an acre. You can set this out in fruit trees and next year sell it in 5 and 10-acre tracts for from \$290 to \$390 an acre.

If interested in a bigger proposition, this is one of the best things we ever heard of: 500 acres excellent fruit land in the very heart of the world-famous Bear River valley, near Brigham City. First-class water right, and directly on the main line of the O. S. L. There is no better altile ground in the state, and most of this ground can be made worth from \$500 to \$800 an acre in 6 or 7 years in the meantime, sugar beets could be raised between the trees, thus realizing a profit from the first year. This ground is well worth \$150 an acre. BUT IT POSITIVELY MUST BE SOLD, AND CAN BE HAD FOR LESS THAN \$100 AN ACRE, AND VERY REASONABLE TERMS. Incidentally, there is a 4-room house, good granary, corrals, stock yards house, good granary, corrais, stock yards and other necessary improvements.
